NAME: Wooden busy beads

PIECES: 1

AGE: 2 +

Level: Toddler Preschool

PRICE: $ 25.00

MANUFACTURER: Educo

DESCRIPTION: The beads are very colourful. They go up and down and over and under. The children will enjoy pushing the beads one by one or all at the same time.

CHILDREN AND PLAY: This is a great toy to help a child develop their fine motor skills. The children will learn their colour concepts as well as the different sizes of circles. This will help them understand the concept of over/under and up/down.

SKILL DEVELOPMENT: Manual dexterity
  Counting concept
  Concept of over/under, up/down
  Colour concept
  Seriation

CARE: As a courtesy to others, please return the toy clean and intact. This can be done by wiping down the toy with a cloth.
