CHILDREN AND PLAY: Go Caterpillar! This game's a thriller! Line up the colors and roll out the die. The race is on; the suspense is high. Color by color you make them slide. Who's in the lead? Hey, see 'em glide! Look out for that barrier...you'll lose some ground because now you're taking the long way around! Long or short games and two levels of play keep the challenge fun every time! Reinforces sequencing and spatial relationship skills as well as color recognition.
