DESCRIPTION: 16 Dacta people representing a multitude of occupations in a multi-cultural manner.

CHILDREN AND PLAY: Children use their imagination to manipulate these characters in a multitude of different scenarios. The set may also be used to compliment other areas of play (e.g. Block or sensory).

SKILL DEVELOPMENT: Language is enhanced as children articulate while they play. The child is developing the satisfaction of a job well done while developing muscular control and dexterity, which are the foundations for writing and logical thinking.
