DESCRIPTION: 1 dump truck

CHILDREN AND PLAY: The young child not only “tries on” the actions of the older people in the role taking, he also acts out the scenes which surround him. Since we live in a transportation minded world, he is fascinated with transportation toys. They help him to understand his world and what he sees around him. This dump truck has a soft, easy grip handle for the child to carry along while playing.

SKILL DEVELOPMENT: Social skills
