DESCRIPTION: 25 giant pegs in 5 bright colours
1 yellow pegboard

CHILDREN AND PLAY: These wide pegs are easily grasped and can be used in a variety of ways:
- the very young will develop small motor coordination by placing pegs in the holes on the yellow board.
- pegs may be stacked one on top of the other.
- pegs may be threaded into a shoelace. (not included)
- children over three years of age may use the back of the board as a geoboard to design shapes with elastics. (not included)

Care: Wash the pegs in warm soapy water. Wipe the board with a damp cloth. Please keep track of the pegs.
